IRONING BOARD COVERS

As a manufacturer and supplier of ironing board covers, we continuously innovate while maintaining our commitment to quality. By creating a variety of ironing board covers, we ensure that every consumer can find the perfect fit. You'll be amazed by the endless possibilities in the world of ironing!

- **Oeko-Tex certified:** which means that no harmful substances have been used;
- **Made in Europe:** which means shorter transport routes and minimal CO2 emissions;
- We participate in the **Better Cotton programme**, for a sustainable cotton production

Selection guide

Especially for our customers, we've created a **selection guide** to make choosing the right ironing board cover effortless.

We know it can be tricky to find the perfect fit. The two key factors to consider are **how often you iron** and **which cover size matches your ironing board**.

On the next page, you'll find our **selection guide**—an easy-to-follow overview of our covers and their categories.

How often do you iron?

 OCCASIONAL USE	Occasionally: I iron every two weeks or less
 FREQUENT USE	Frequently: I iron every two weeks or more
 INTENSIVE USE	Intensively: I iron once a week or more

What size cover do you need?

CM	30-38	39-42	43-52
100-119	S/M S1/T1	S/M S1/T1	
120-125	S/M S1/T1	S/M S1/T1	L/XL S2/T2
126-140		L/XL S2/T2	L/XL S2/T2

OCCASIONAL USE

I'd like a basic cover

BASIC

This ironing board cover may be a basic version, but no concessions have been made to the quality.

I'd like a good and affordable cover

CLASSIC

The classic ironing board cover made of cotton and foam is of good quality and affordable. This 100% cotton ironing board cover is extra steam permeable due to the foam layer. This model is ideal for people who iron occasionally.

FREQUENT USE

I'd like to save time & energy

ALU PERFO

This ironing board cover of 100% cotton with an extra thick molton lining is known for its dual ironing effect. The Aluminum coating reflects the heat of your iron. Saving you time and energy!

I'd like extra comfort

COMFORT

Iron more comfortably. Thanks to the extra thick molton underlayer, your iron glides over your laundry and makes a perfect ironing result extra easy.

I'd like an extra durable cover

TITANIUM

This titanium treated, perforated cotton ironing board cover resists high temperatures for long-lasting comfort, with optimal heat reflection and improved steam diffusion.

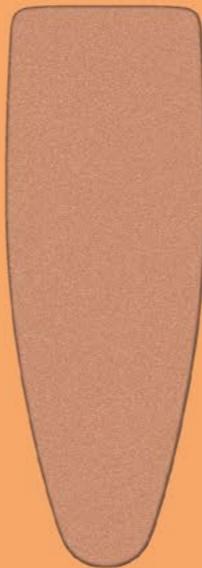

I'd like an easy application

EASY FIX

Easy-Fix ironing board covers are produced with an elastic hem for a quick and easy application of the cover.

I'd like to park my hot iron anywhere

100% PARKING

This 100% specially treated aluminized cover ensures safe ironing, resisting up to 200°C for 10 minutes—so you can park your hot iron anywhere! Cotton perforation allows optimal steam diffusion.

I'd like an eco-friendly cover

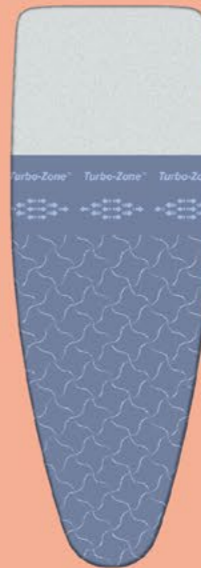

ECO-RESPONSIBLE

With respect for the environment and looking after our planet, Widemex offers you an environment friendly ironing board cover. Composed of 67% recycled materials.

INTENSIVE USE

I'd like to park and clean my iron

TURBO & PARKING

This ironing board cover has a safe Parking Zone for your iron and a Turbo Zone® for extra speed. Place your heated iron on the patented Parking Zone without risk of burns, and glide it over the Turbo Zone® three times for a like-new smoothness!

I'd like a professional cover

ACTIVE

Designed for steam generators and high-steam irons, this 5-layer cover prevents condensation and water droplets on your floor.

I'd like the crème de la crème

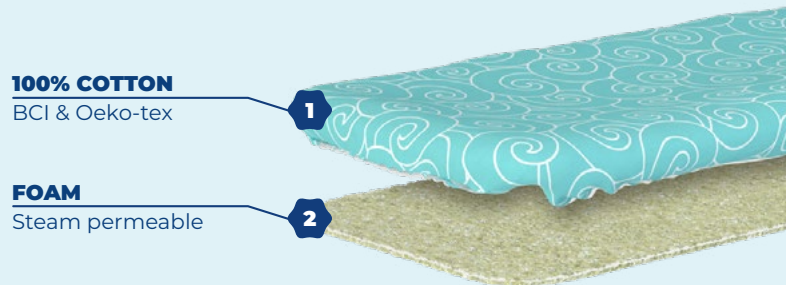

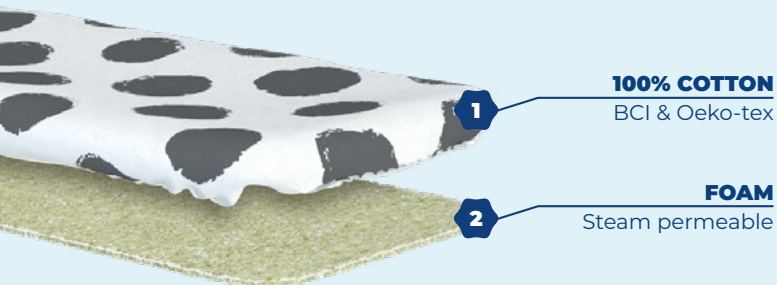

airpro

This extra-durable ironing board cover features special heat reflection, allowing a lower iron temperature. Its thick 6-layer design speeds up ironing by 50% while preventing condensation and water puddles.

DRYING RACKS

Our drying racks are built for stability and durability—the two most essential qualities of a great drying rack.

Even when fully loaded with laundry, they remain extremely stable. Some models feature wheels for effortless mobility, while our balcony drying rack comes with an extra-sturdy suspension bracket for secure hanging.

Crafted from lightweight aluminum, our drying racks are easy to handle yet impressively strong.
